June 2009 Sun Valley Family Campground

LET'S GO CAMPING!

Wow! The season is under way, and we have had many activities already! I'd like to thank the following people for helping at the Mother's Day Breakfast: Ernie Davis, Dean Long, Jay Davis and Vern Fox. They were our "chefs", and they did a wonderful job cooking for all that attended. We couldn't have done the breakfast with out you!

Over the weekend of May 15—17, we had returning campers for the National 4 Wheel Jamboree at the Allen County Fairgrounds. All the campers had a good time while at Sun Valley, and they expressed their appreciation of Sun Valley in a thank you letter after they returned home. Kel Welch provided great music at the rec hall on Saturday evening. Fun was had by all!

With the weather warming and Memorial Day approaching, work has begun on the pool. Come and check out all the new lounge chairs for adults and new sandboxes for the little kids. The lifeguard chairs have been replaced and new landscaping has been added to enhance the look of the pool. We have a new staff of lifeguards this year, with Bailey Laban returning to be our head lifeguard. Pool hours will be noon to 7:00 pm Wednesday through Saturday. The pool will be closed Monday and Tuesday. The pool will open on the scheduled days when the weather is cooperative by being at least 70 degrees and no thunderstorms. This year Sun Valley will offer campers the option to rent the pool for a private party. See the office for more details if interested in celebrating a birthday, anniversary or family reunion at the pool.

We would like to congratulate all the 2009 graduates from all of our area high schools. Good luck in your future plans!

Once again, we have a lot of activities and fun to look forward to this summer. Check out the activities listed on the next page for more details. If any one is interested in volunteering to help with activities, has suggestions for activities, or any questions, please feel free to contact me at the camp office, (419) 648-2235. ~ Vicki, Manager

Internet Service

We have had a few inquires into internet service at Sun Valley. Sun Valley has inquired with several companies (Watch TV, Hughes Net, Embarq, WCOIL). Presently there are no providers of internet in our area that works well for our location. Between the trees and location of the "valley", we are unable to receive good quality signals from an internet service provider. Embarq DSL stops at Phillips Road. If you are interested in this, please make a service request to Embarq. The more requests Embarq receives, the more apt they are to expand their service down Faulkner Road. Please contact Embarq at 800-407-5411 to make your request known. The same is true of Time Warner Cable. A request sheet is available in the camp office to sign. Please contact Vicki with questions.

Best Lot in Sun Valley Contest

Again this year, Sun Valley will be holding a contest for The Best Lot. Get creative, get busy, get voting! Votes will be collected in a locked box in the camp office. Contest starts May 1, 2009 with the first winner announced Memorial Day Weekend. Contest winners will receive a prize each month through the camping season.
